

## **On Site Courses**

Typically, InterSource provides training with our Instructor presenting in person at client sites. For this option, please select "Instructor-Led at Client Site" using the offer request button above the course description.

## **Online Courses**

All of our courses can be offered Online. For this option, please select "Online Course" using the offer button above the course description.

## **InterSource Site Courses**

We host students for training throughout Switzerland. For this option, please select "Instructor-Led at InterSource Site" using the offer request button above the course description.

## **Open Enrollment Courses at InterSource**

Open enrollment courses with locations and dates are posted periodically on the InterSource website. If you wish to be advised of an upcoming course on a specific subject, please select "Advise me of planned Open Enrollment Courses" using the offer request button above the course description.
